

<b>Grantee Name</b>	
<b>Grant Number:</b>	

## Rubberized Asphalt Concrete (RAC) Certification

The RAC Certification form must be submitted with the payment request form(s). By signing this form, the signator certifies, under penalty of perjury, that the information provided below by the rubberized asphalt concrete (RAC) manufacturer, binder supplier or contractor is true and accurate.

Grantee: Request completion of this form by each RAC manufacturer, binder supplier or contractor. Review form for completeness and submit form to CalRecycle with payment request form(s). Retain supporting documentation that 100% California-generated waste tires were used for this grant project.

RAC manufacturer, binder supplier or contractor: See instructions on the next page, complete and submit form to Grantee.

### SUPPORTING DOCUMENTATION REQUIREMENT

☐ CERTIFICATE OF ORIGIN OR ACCEPTABLE SUPPORTING DOCUMENTATION ATTACHED (SEE FOOTNOTES ON NEXT PAGE)

Product Description Choose either Crumb Rubber or Crumb Rubber Modifier	Manufacturer Name	Quantity (lbs.)	/ (divided)	Passenger Tire Equivalent (PTE)	=	Number of PTE's Diverted
Crumb Rubber	<i>EXAMPLE</i>	25,000	/	12 lbs/tire	=	2,083
			/		=	
			/		=	
Total:						

*I certify under penalty of perjury under the laws of the State of California that the material provided to the above-named Grantee was manufactured from 100% California waste tires and does not include truck tire buffings. I understand that if an audit discloses the use of non-California tire rubber, CalRecycle may require the Grantee to return grant funds up to the amount of the grant award, and that the Grantee may seek reimbursement from the above-named RAC manufacturer, binder supplier or contractor.*

Signature of Authorized Signer for RAC manufacturer, binder supplier or contractor	Print Name	Title	Date
--	------------	-------	------

Instructions:

**Grantee to provide:**

1. Applicant/Grantee Name: Complete full legal name as it appears on the RAC Application or Grant Agreement Cover Sheet.
2. Grant Number: Enter assigned grant number.

**RAC manufacturer, binder supplier or contractor to provide:**

1. Contact information: Provide your business' contact information in this section.
2. Supporting documentation requirement: Provide the Grantee with copies of supporting documentation that validates 100% California-generated waste tires were used for this grant project. Acceptable forms of supporting documentation include: Certificate of Origin (if completed by a California Processor) or a Bill of Lading and Manifest documentation for non-California processors.
3. Number of tires diverted: Provide the total number of tires diverted in Passenger Tire Equivalents for this project. Include both the number of pounds of crumb rubber and the calculated number of Passenger Tire Equivalent (PTEs): Use 12 pounds of crumb rubber per PTE.
4. Signature of RAC manufacturer, binder supplier or contractor: This form must be signed by a representative from the RAC manufacturer, binder supplier or contractor who has the authority to legally bind the organization. Provide the completed form, with supporting documentation, to the Grantee.
